PRODUCT FEATURES

The sunshines through the vertical curtain to create charming light and shadow,
Adding more beauty to the home .it is the decoration of modern
and fashionable home life

It is suitable for all kinds of decorative styles of home, and is the
first choice of modern home life

Electric Vertical Dream Curtain (M09/M11/M13)

Product Parameter

Top rail material	Aluminium alloy
Fabric material	Polyester
Fabric type	Full shading, light transmission and yarn
M09 size	106mm
M11 size	88mm
M15 size	75mm
Maximum width (single opening)	6000mm
Maximum width (dual opening)	8000mm
Maximum height	6000mm
Maximum load	20kg
Maximum area	24m ²

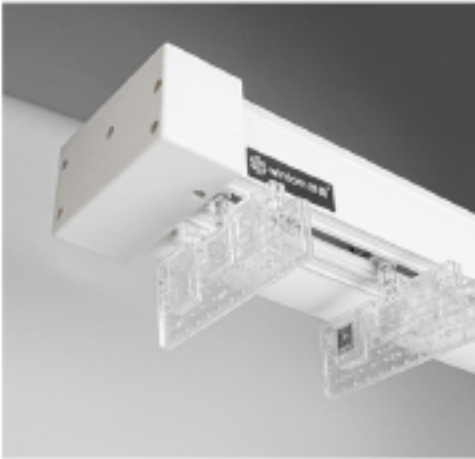

Motor Parameter

Rated voltage	100-240V AC
Rated current	0.3A
Rated power	80W
Torque	2.5N
Rotate speed	18cm/s
Protection grade	IP41
Insulation class	E

Main Accessories

Installation code

Aluminum alloy rail

Quiet sliding ball

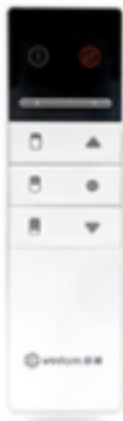

Smart motor

Open the blind

WORKS WITH SMART DEVICES

Adaptable to Alexa.

APP CONTROL

Using remote control to control several blinds.

APP CONTROL

using app ,you can open/ close time of control your blinds when you are not at home

Electric Vertical Venetian Curtain

Product Parameter

Top rail material	Aluminium alloy
Fabric material	Polyester / Aluminum
Opening mode	Single /Dual opening
Minimum width	1000mm
Maximum width (single opening)	3500mm
Maximum width (dual opening)	6000mm
Maximum height	6000mm
Maximum area (single opening)	18m ²
Maximum area (dual opening)	24m ²

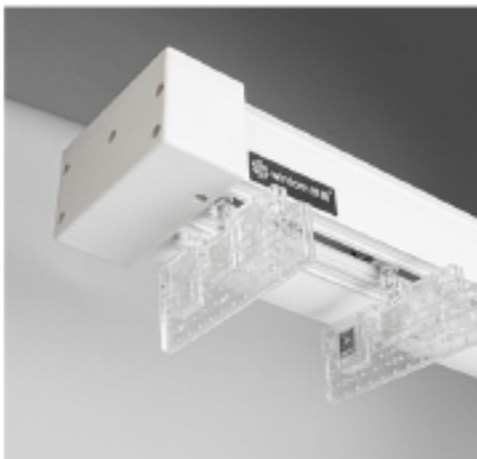

Motor Parameter

Rated voltage	100-240V AC
Rated current	0.3A
Rated power	80W
Torque	2.5N
Rotate speed	18cm/s
Protection grade	IP41
Insulation class	E
